

# ORGANISED BREAST CANCER SCREENING

## FROM 50 TO 74 YEARS OLD

for all women, without symptoms  
or a history of the condition.

## EVERY 2 YEARS

Mammograms covered 100%.

*Excluding additional tests (e.g. ultrasound),  
reimbursed according to the usual conditions.*

## GET TESTED

390 accredited medical imaging centres  
in the Ile-de-France region.

## 99 % CHANCES

of survival within 5 years if breast cancer  
is detected at an early stage.

## THEY DID IT

*"It's true that breast compression isn't pleasant,  
but this screening reassures me."*

Myriam, 54 years old

Where can I get  
a mammogram?

Need help with your screening ?
